ETS

ENGINEERING
TECHNOLOGY
SERVICES

World's largest independent supplier of "only" **GENUINE** hydraulic spare parts and units. With over \$35M of **GENUINE** inventory on-hand, ETS provides service repairs of hydraulic piston pumps, motors and valves for mobile and industrial hydraulics from the following OEM's; Bosch Rexroth, Parker-Hannifin, Eaton, and Hydac. ETS is based in Memphis, TN to facilitate global overnight shipping for breakdowns & urgent customer requirements. ETS recently formed a strategic partnership with REM-B Hydraulics in Belgium, to better address EU sales and repairs.

 ETS offers a 24/7 stores-online service to further facilitate real-time customer needs and offers ISO 9001:2015 state-of-the-art repair & testing facilities for hydraulic piston pumps, motors and valves.

ETS is committed to serving small to midsize Hydraulic Repair Shops and MRO's efficiently and effectively, with on-hand inventory of only **GENUINE** brand products and spare parts to maintain Original Equipment Manufacturer quality, duty cycle and life span for every system and part.
