GENUINE OEM REPLACEMENTS PUMP AND MOTOR PROGRAM

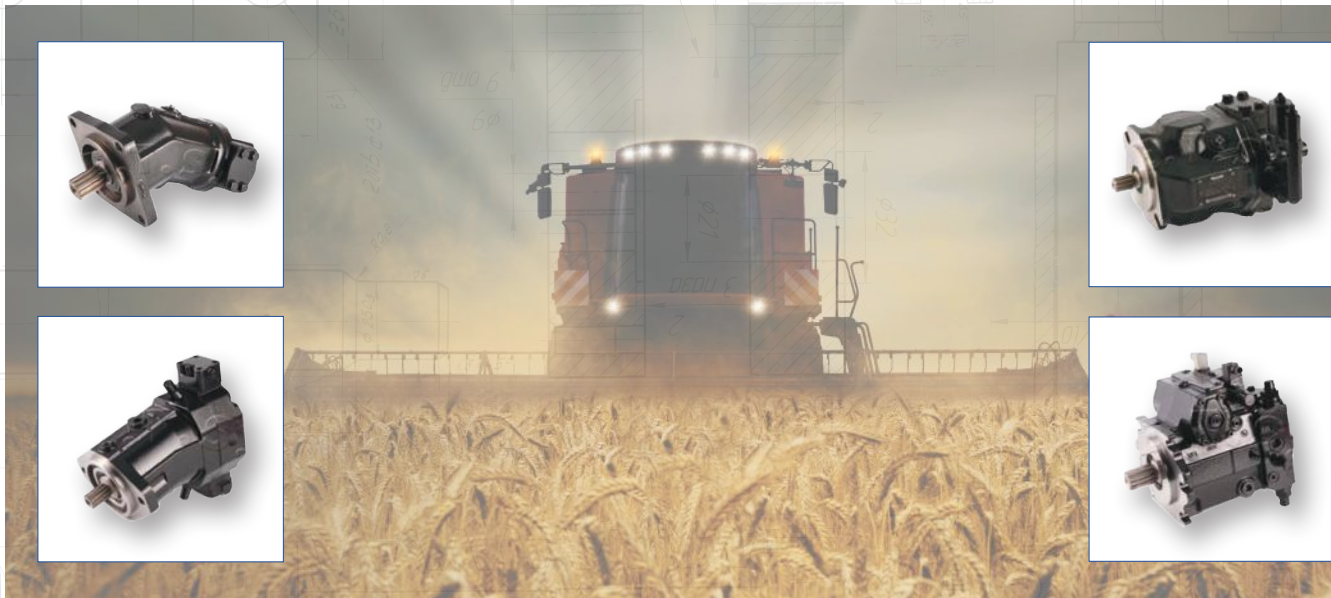

With over 275 years of combined experience and \$35M in **GENUINE** inventory for best in class manufacturers like Bosch Rexroth, Parker, and Vickers, ETS can build and test any unit configuration to your exact requirements, often within 24 hours.

Don't hesitate or wait for long lead times! Act now and utilize our world class facility and inventory to reduce your own inventory, as we can deliver converted units in a day or hours, in cases of emergencies.

HYDRAULIC REPAIR SHOPS & MRO's

Here is your opportunity to **INCREASE YOUR SALES** by offering your customers (equipment dealers, machine rebuilders, end users and small OEMs) assistance with their conversions, retrofits, upgrades, replacements, new prototype OEM applications and repairs for their hydrostatic or open loop pumps and motors.

ETS can offer you units of any size, rotation, type of controller, pressure rating, single or multiple combinations. We have over 3,000 **GENUINE** OEM replacement units in stock.
